HOW-TO GUIDE
Participant Controls located in the lower portion of the Zoom screen:

Using the icons in the lower left corner of the Zoom screen, you can:

- **Mute**
- **Unmute** your microphone (far left)
- **Start Video**
- **Stop Video** Turn off camera (“Start/Stop Video”)
- **Share Screen**
- **Chat** Share your screen
- **Chat** (Talk with others in the meeting)
HOW TO RAISE HAND

1. Click on the “Reactions” section, at the bottom of your screen.

2. Click on the small icon in the shape of a hand, labeled “Raise Hand”.

3. Your hand is now raised, which means that the hosts and other participants will see that you have something to say.

SHORTCUTS:
If you’re using Windows, press Alt + Y to raise or lower your hand.
If you’re using Mac, press Option/Alt + Y.
HOW TO USE INTERPRETATION FEATURE

1. An “Interpretation” icon and a pop-up message saying that new translation possibility is available will appear.

2. By Clicking on the “Interpretation” button, you can choose the language you would like to hear.

3. (OPTIONAL) By default, you will hear the selected language at 80% volume and the original audio at 20% volume. If you would like to mute/unmute the original audio, click on the corresponding option in the language button.
HOW TO SHARE YOUR SCREEN

1. To share your screen, click ‘Share Screen’ button at the bottom of your screen.

2. Click on the ‘screen’ option if you would like to share your entire screen to others.
   If you would like to share only one window to others, then click the window you would like to share.
   Check the ‘share sound’ option on the bottom if you’re presenting a video and want to share the audio. After you’ve clicked on the desired screen, click share.
HOW TO MAKE PRESENTATION AS BACKGROUND

1. Click the button at the bottom of your screen.

1. Click Advanced, and then click ‘slides as virtual background’. Then click Share.

2. A pop up will appear, then you pick your file to share.

Tip: Best used with green screen
HOW TO MAKE PRESENTATION AS BACKGROUND

4. Then your presentation will be like below. You can change slides by clicking the arrow. You can also resize or move your video, by clicking the three dots and ‘Resize My Video’. To stop this format, click ‘Split Video from Screen’

Mural

Mural is a virtual whiteboard for virtual collaboration, brainstorming and mind mapping.
Validating the setup
1. Go to https://mural.ly and click Sign in.
2. Type your work email address and click SIGN IN.

Usage scenario: Creating empathy maps with MURAL
An empathy map can help you better understand a representative user of the application that you're building. If you're part of a geographically distributed team, collaborating with your team to create an empathy map can be difficult.
This scenario shows how a team, whether it is distributed or co-located, can use MURAL to create an empathy map.
1. Create a mural by clicking Create new mural.
2. In the CREATE MURAL window, specify a name and purpose for the mural and click CREATE MURAL.
3. In the SHARE window, share the mural with your team and then click DONE.
   From the toolbar, you and your team members can add text, shapes, icons, frameworks, images, and files to the mural.
HOW TO JOIN GATHER TOWN (as participant)

1. To join Gather Town, click on the link provided.

2. Enter your name and setup your avatar as you like. You can choose your hair, clothing, skin tone however you please. Just click the arrow on avatar or clothing. After you’re done, click next.

3. Make sure to allow Gather Town to access your microphone & camera. Turn on/off your camera and microphone by clicking the camera & microphone icon. When you’re ready, click join the gathering.
HOW TO USE GATHER TOWN

1. Use the arrow key on your laptop to move around. To talk to your friend, simply approach them and make sure you turn on your microphone so they can hear you.

2. When you’re talking to lots of people, click the full screen button on the top right of your screen to see your friends all at the same time.

3. You can always turn on/off your microphone/camera when you’re in Gather Town. Click the microphone icon to mute/unmute, click the camera icon to turn on/off your camera.
4. On the side panel, you can chat with your friends.

- To send a message to people nearby, click 'Nearby' option and send your message.

- To send a message to everyone, click 'Everyone' option then send the message.

- To send a message to a specific person, click on their name and send the message.
Thank you!
