16:30-18:00	PLENARY DISCUSSION: Feedback from the Workshops & Next Steps		Markus Werne, OCHA ROAP & Kate Newton, Dfid

Four questions for all Workshop groups to discuss:

1. What aspects of system-wide response should be addressed in this area?
2. Is there ongoing work on this?
3. If no ongoing work, is there a concrete initiative that could be established?
4. How is the system-wide initiative resourced and/or how much additional support does it require?
